

The best
of nature

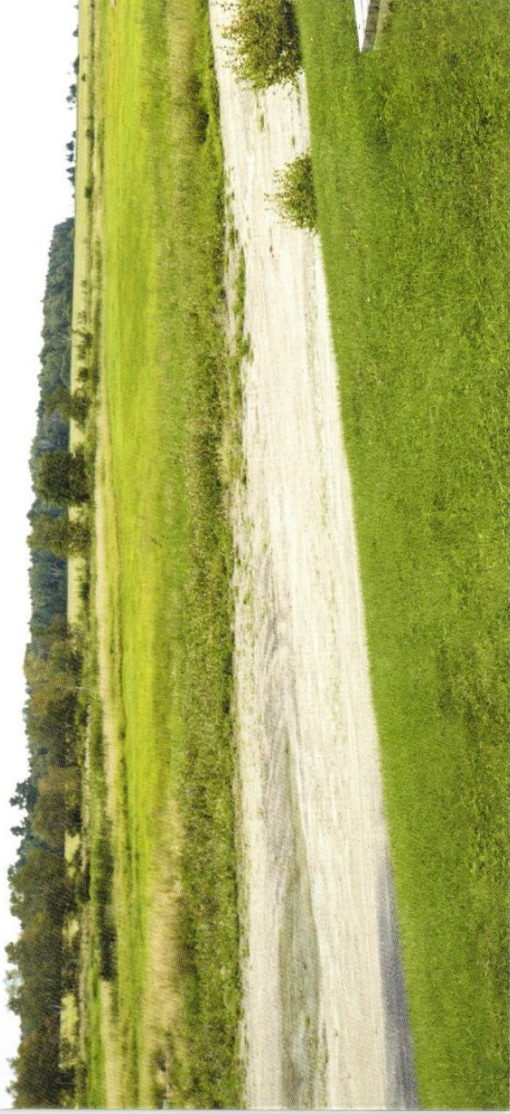

Maibec Genuine

Wood siding

Like no other.
Authentic.
Durable.

Maibec genuine wood siding is the expression of our recognized ability to bring out all the natural and inherent potential of every tree. Warm and inviting, it reflects your preference for authenticity while also emphasizing your beliefs in choosing quality, durable materials that are in harmony with the environment and all architectural styles.

Genuine wood siding

Two surface finishes: brushed or textured

Bring out the contemporary or traditional character of your home; the right finish will make all the difference.

TEXTURED FINISH

MAIBEC URBANH® BRUSHED-FACE FINISH

Maibec em+® installation system

Get a flawless finish with virtually no visible nails—in less time. Our innovative tongue-and-groove system firmly secures siding at the top, bottom and ends of every board. Fewer cuts. Less waste. Less effort.

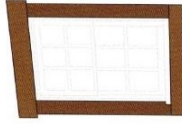

Trims and corners

The perfect finishing touch

Get picture-perfect results with our complete line of trims and corners. Available in various sizes and profiles, and designed to complement your Maibec siding and shingles to perfection.

ONE-PIECE CORNERS

REGULAR TRIMS

ARCHITECTURAL MOULDINGS

METAL CORNERS

Eastern white cedar shingles

Squarely the best

When it comes to quality, nothing beats Maibec shingles. Our shingles can be used alone, paired with other materials or used to emphasize certain architectural details—all with stunning results.

Three grades with all the classic warmth and charm of Eastern white cedar, including its famous strength and durability.

NANTUCKET™
Rich & uniform.
Knot-free.

KENNEBUNK™
Classic & exclusive.
Knot-free on the
exposed face.

BAR HARBOR™
Rustic & natural.
Sound knots visible
on the exposed face.

Installation systems

Traditional shingles.

Perfectly squared at 90 degrees for perfect alignment.

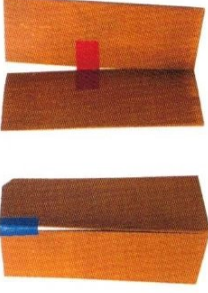

Wides

Ideal for dormers and gables.

Woven corners

Pre-cut and pre-assembled.

Pre-assembled strips

Ideal for large, uninterrupted surfaces with few details. Significantly reduces the installation time.

Victorian shingles.

Nine original patterns.

Colours

All the colours in your nature

Maibec solid colours chart.

Siding, shingles and trims. A selection of solid colours, inspired by nature.

101	PURE WHITE	209	OYSTER GREY	222	GREY SEAL	014	MAIBEC LAMOSITE	223	GARGOYLE
253	YELLOW COTTAGE	254	MAIBEC LINEN	263	SOUTHAMPTON	262	MAIBEC BEACHGRASS	266	MAIBEC BEIGE
317	SILVER CLOUD	242	COLONIAL GREEN	245	MAIBEC MULBERRY	346	TUNDRA	306	GREEN TARTAN
228	CITADEL BLUE	225	SILVER BLUE	344	VINTAGE BLUE	345	THUNDER SKY	232	NAVY BLUE

Eight Natural tones. With supernatural lasting power.

Siding and trims. Our exclusive Natural tones are achieved through a unique manufacturing process and require less maintenance than traditional semi-transparent stains.

063	SUNKISSED BEIGE	062	MEADOW GREIGE	059	OCEAN SPRAY SILVER	058	COASTAL CHARCOAL	051	PRAIRIE GOLD	052	ALGONQUIN AMBER	053	MUSKOKA BROWN	061	FUNDY BAY BROWN
-----	-----------------	-----	---------------	-----	--------------------	-----	------------------	-----	--------------	-----	-----------------	-----	---------------	-----	-----------------

Spice Series: Intense in colour. Light on maintenance.

Shingles. Our Spice series features the latest-generation semi-transparent stains that out-last and out-perform other semi-transparent.

BURNT GINGER	CINNAMON	NUTMEG BROWN	GOLDEN CURRY
--------------	----------	--------------	--------------

TrueMatch® custom colour system

Siding, shingles and trims.

Tell us the colour you want, and our specialists will create a solid stain that matches it perfectly. The easiest way to get the exact colour you want.
